Proper clothing and equipment are essential to prevent safety issues such as sprained ankles, sunburn, hypothermia, and blisters. Campers must have the essential gear listed in order to safely participate in Adventure Village activities and mini-trips. Adventure Village will participate in outdoor activities rain or shine. Therefore, having non-cotton, quick drying clothing that retains heat even when wet is important. In addition, Adventure Village campers sleep in platform tents and drying out clothing and equipment can be difficult during wet weather. Please leave personal electronics, such as iPods, computers and cell phones at home!

If you have any questions or difficulty finding the appropriate equipment, please do not hesitate to contact us. From the moment you think about a summer experience with us to long after your amazing camping experience is complete, Frost Valley Adventures is a partner to be called

upon for any question or concern, big or small. You can reach us at the Adventure Trips office at (845) 985-2291 ext. 265 or e-mail us at adventure@frostvalley.org.
